

Multi-angle Display Thermo-hygrometer

Model: HT-9233

Feature

- Multi-angle display, 180 degree max.
- Dual display (temperature and humidity)
- Temperature unit °C/°F selectable
- Max/Min (°C/°F) temperature and humidity memory recalling

Specifications:

- Temperature: 0 °C~ 50 °C
(±1.0 °C in the range of -20°C ~70°, others: more than ±1.0 °C)
- Humidity: 20% RH ~100% RH
- Accuracy : ±1 °C, ±3 %
- Probe length : 133
- CR2032 battery x 1
